Dear Nick,

Thank you for sending us this latest version of the 2024 Anti-Doping Bill (the "Bill").

We note that there have been several substantive amendments to this Bill since our last correspondence on this matter dated 12 July 2024 (please see attached).

Accordingly, we have completed a full review of this latest version of the Bill and inserted our comments and recommendations. Please note in particular that there is one provision (Section 22 (2)) which is non-compliant.

We wish to emphasize that it is imperative that this non-compliant draft of the Bill is not adopted. Furthermore, we kindly ask that our comments and recommendations are taken into consideration by the relevant parties and that we receive answers to these comments and questions.

In the meanwhile, please let us know if you have any questions or comments and we will be happy to assist.

We look forward to hearing from you.

Best regards,

Jonathan
