**Response**

1. The Ministry of Education had recorded a total of 29 alleged cases of cheating and malpractice across Y12 external examination only during the three-year period of 2022, 2023, and 2024.

The breakdown of cases are as follows:

<b>Examination Year</b>	<b>Cases</b>	<b>Level/ No. of cases</b>
2022	20	Year 12 - 20 cases

2023	3	Year 12 - 3 cases
2024	6	Year 12 - 6 cases

2. These reported cases were investigated by the Ministry of Education and all cases were resolved. The data suggests overall improvement in exam integrity from 2022 to 2024, with a marked reduction in malpractice cases.
3. The Ministry of Education will continue to collaborate with school leaders, supervisors, students, parents, and law enforcement to ensure that our national qualifications remain robust and credible, reflecting the genuine academic achievement of our students.
